Smart Future Plan

Individual, Linked Life Insurance cum Savings Plan

"This is the authorized presentation and should not be altered without the permission of the Insurance Company."

Version: Nov'19

Key Benefits

- **Life Cover :** choose life cover based on protection need. Further, there is an option of increasing or decreasing Sum Assured to match protection requirements during Policy Term
- **Flexibility of Premium Payment Term :** choose a Premium Paying Term (10/15/20/25years) to suit one's earning capacity
- **Investment Funds:** invest in up to seven fund options - ranging from 0% to 100% equity exposure, to match one's appetite towards investment risks and returns
- **Auto Funds Rebalancing Option (AFR):** maintain allocation of savings in a specific proportion across funds, irrespective of market movements
- **Safety Switch Option (SSO):** systematically move savings into low risk fund near maturity to safeguard returns
- In case of **unfortunate death or total & permanent disability (if opted) :** Lump sum amount paid on death; all future premiums funded by the Company as and when due; Fund Value on maturity
- **Flexibility of Switching and Redirection** between fund options to take advantage of market movements or change in risk preference
- **Liquidity to take partial withdrawals** to help meet unplanned contingencies or meet changing needs of family
- **Tax benefits** on Premiums paid and benefits received during Policy Term under Section 80C and Section 10(10D), as per Income Tax Act, 1961, as amended from time to time

Product Feature

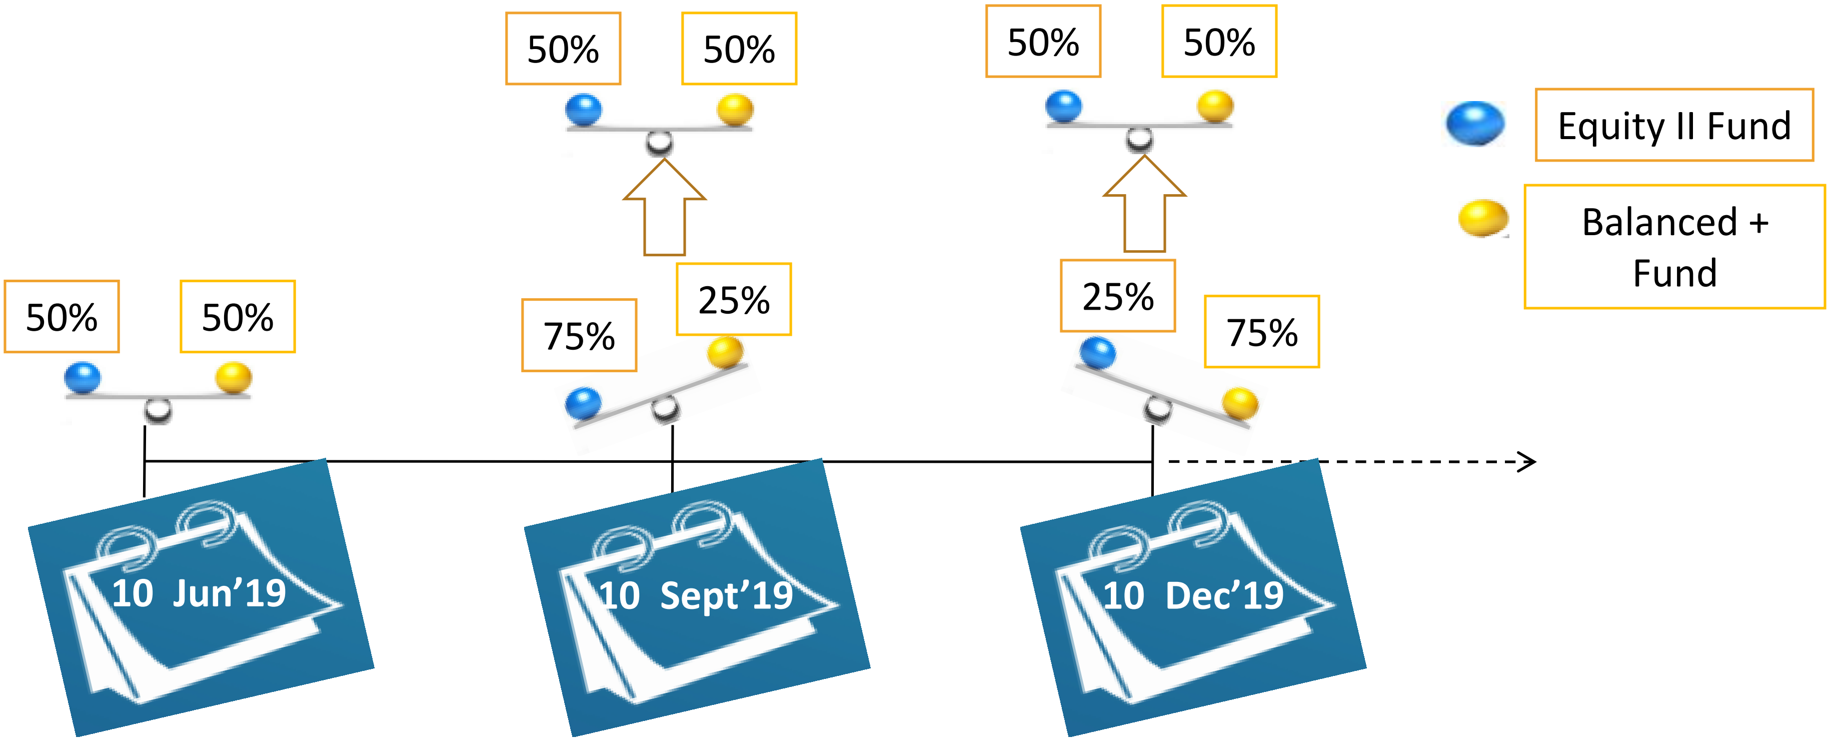
- Allocate premiums to any, all or a combination of the funds as per risk preference
- Choice of 7 funds with 0% to 100% equity exposure for investment funds
- Flexibility to switch percentage of existing fund between other funds and adjust the investment portfolio through switching option

Product Benefits
Auto Fund Rebalancing

aapke vaade,
sar aankhon par

- Allocate investments in specific proportion across funds, irrespective of market movements
- Once opted, after every 3 months, it automatically rebalances allocation of investments in various funds to the allocation proportions opted for



Above details are based on assumptions only, customer can select this Option at inception or any time later with minimum of 2 funds.

Auto Fund Rebalancing –Conditions

Canara HSBC OBC Life Insurance

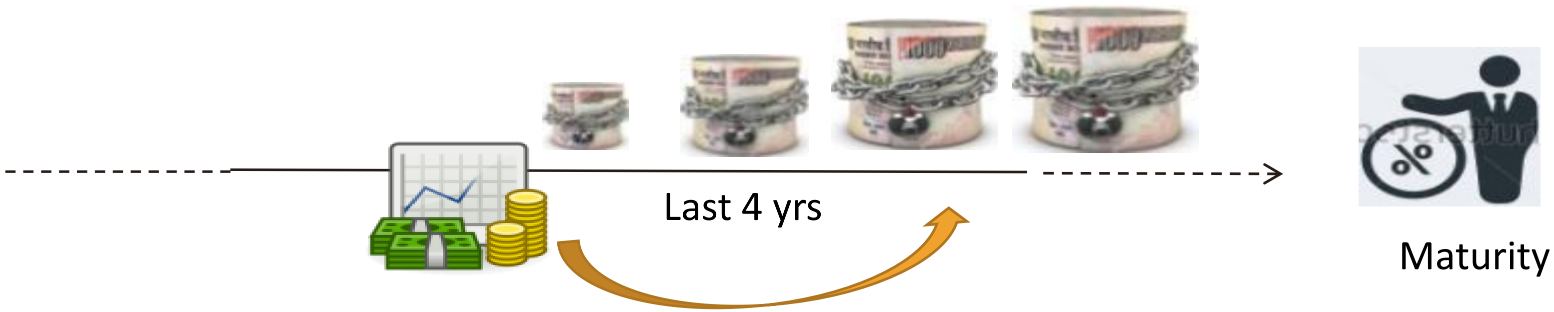
aapke vaade, sar aankhon par

- Avail this option at inception or at any time later during the Policy Term
- In case of partial withdrawal, AFR will be applicable on the balance of the Fund Value remaining in Policy after withdrawal
- Automatic switches in order to affect the auto rebalancing into the chosen allocation proportions will not be counted as switch

> *For more details on Auto Fund Rebalancing, refer to product brochure available on company's website*

Product Benefits
Safety Switch Option (SSO)

Funds are systematically moved to a relatively low risk Liquid Fund in the last four policy years to avoid market movements and safeguard the funds near policy maturity



Product Benefits
Safety Switch Option (SSO)

aapke vaade, sar aankhon par

At the start of Policy Year	Emerging Leaders, Multi-Cap Equity, Equity II, Growth+ , Balanced +, Debt+ Fund	Liquid
T-3	70%	30%
T-2	40%	60%
T-1	10%	90%
T	0%	100%

* T = Policy Term

› *For more details on Safety Switch Option, refer to product brochure available on company's website*

Product Benefits

Safety Switch Option (SSO) – Conditions

- Avail this option at inception or at any time later during Policy Term except during last 4 years of Policy
- Choose this option simultaneously with either AFR, during the last 4 policy years when SSO gets operational, AFR will cease to exist
- There will be no switching charges when units are auto re-balanced from “Other than Liquid Funds” to “Liquid Fund” as a result of SSO being operational

› *For more details on SSO, refer to product brochure available on company’s website*

Product Benefits
Switching Facility

- Switch from one Unit Linked Fund to another at any point of time at any point of time during Policy Term or Settlement Period.

- Minimum Switch Amount : Rs. 10,000/-

- Switch either a percentage of investments or an absolute amount

- First 6 switches in any given Policy Year or in any year during the Settlement Period will be free of charge and subsequent switches will attract a switching charge as given in Charges section

- Any unused switches cannot be carried forward to subsequent Policy Years during Policy Term or to subsequent years during Settlement Period

- No limit on number of switches made in a Policy Year or in any year during Settlement Period

Product Benefits
Premium Redirection Facility

- At anytime during Policy Term, option to change allocation proportion of future Premiums into one or more Unit Linked Funds

- Allowed only once in a Policy Year and is **free of cost**

- Revised allocation proportion will apply to subsequent Premiums

- In case this option is not availed, it cannot be carried forward to the next Policy Year

Increase or Decrease of Sum Assured

- Alter Sum Assured based on protection needs, **from the 6th Policy Year**, provided due Premiums have been paid

- There will be no change in Premium amount as a result of the increase or decrease in Sum Assured

- This flexibility is **available once every Policy Year subject to a maximum of three times during the Policy Term**

- Option to increase the Sum Assured is not available where Life Assured is minor or above 50 years of age

- Increase/decrease in Sum Assured is subject to Underwriting acceptance and minimum and maximum Sum Assured limits stipulated under this plan and may result in increase or decrease in mortality charges depending on the nature of the request

- Request for any alteration in Sum Assured will be effective only from Policy anniversary following the date on which policyholder have made the request, subject to such request being made at least 60 days prior to Policy anniversary

Product Benefits
Settlement Option

- Receive maturity benefit through Settlement Option in installments as per the frequency chosen by policyholder, over a maximum period of 5 years

- Available any time after issuance but at least 3 months before maturity date

- Frequency of payout during Settlement Period can be monthly, quarterly, half-yearly or yearly which cannot be changed once Settlement Option is operational

- During Settlement period, risk cover shall be maintained at 105% of all Premiums Paid up to the date of death
- In the event of death of the Life Assured, during Settlement Period, higher of (Fund Value as on the date of intimation of death or 105% of all Premiums Paid up to the date of death) will be payable and Policy will terminate

- Allowed - Switching
- Not Allowed - Partial withdrawals, SSO and AFR

- There are no charges other than Fund Management Charges, Mortality Charges and Switching Charges during the Settlement Period

- *For more details on Settlement Option, refer to product brochure available on company's website*

Canara HSBC OBC Life Insurance

aapke vaade,
sar aankhon par

Product Benefits
Partial Withdrawal Facility

Allowed from 6th Policy Year or completion of 18years, which ever is later

4 Partial withdrawals free in a policy year
Rs. 250/- per withdrawal then onwards

Minimum Partial withdrawal is Rs. 10,000/- (all partial withdrawals to be in multiple of 1000)

Maximum Partial withdrawal* is subject to Fund value, not being lesser than 120% Annualized premium post Partial Withdrawal

*Cap on maximum partial withdrawal has been kept with the view to avoid those partial withdrawals which would result in immediate termination of policy

Product Benefits
Maturity Benefit

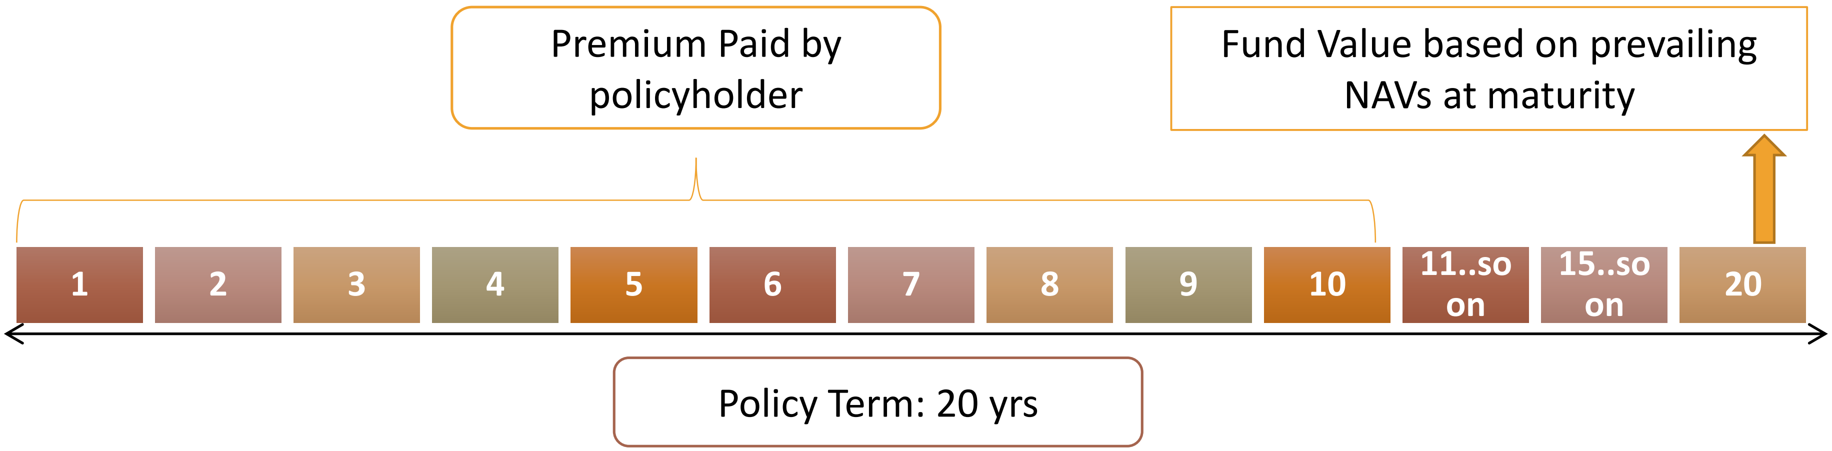
aapke vaade,
sar aankhon par

Assumption:

- Policy Term: 20 years
- Premium Payment Term: 10 years

In Settlement Option, policy will continue for a period not exceeding 5 years

or



In case the Life Assured survives the policy term, policyholder will receive Fund Value based on the closing NAV of the maturity date. However settlement option can also be selected

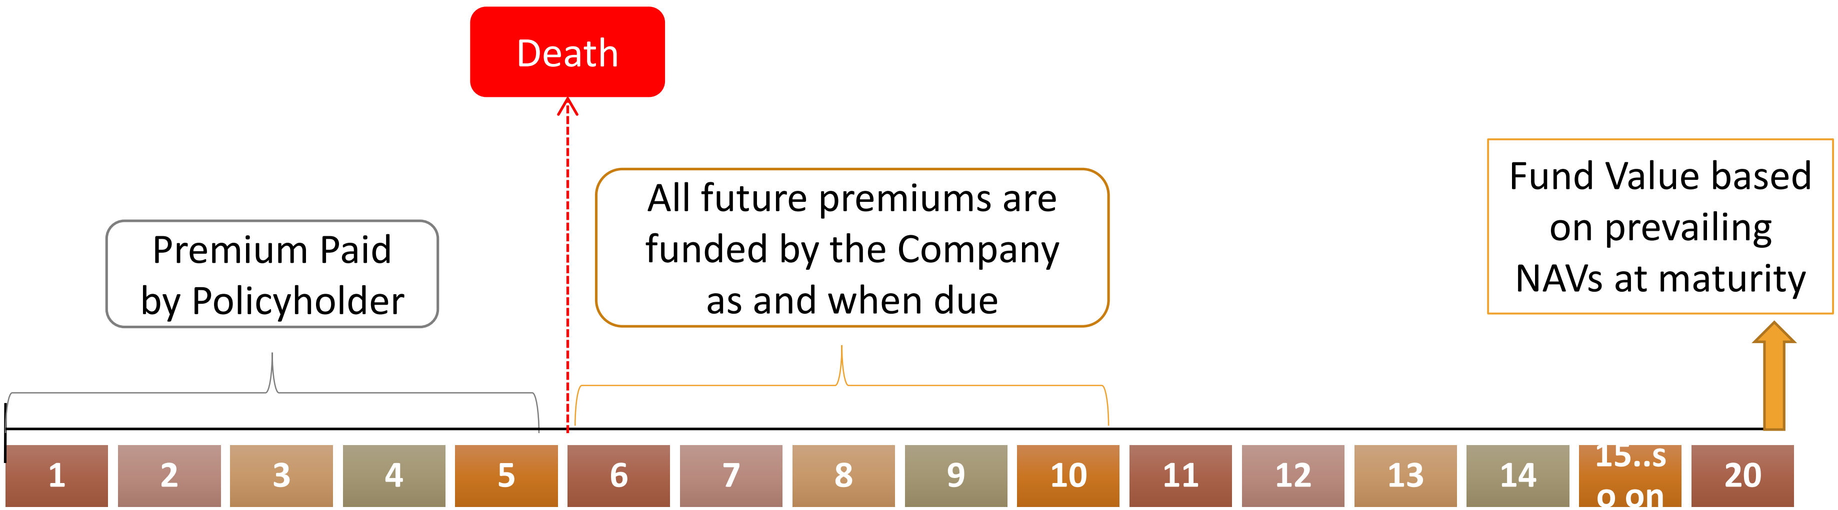
Product Benefits

Death Benefit

Immediate Lump Sum Payment On Death

Higher of

1. Sum Assured, or
2. 105% of (all the Premiums paid till the date of death)

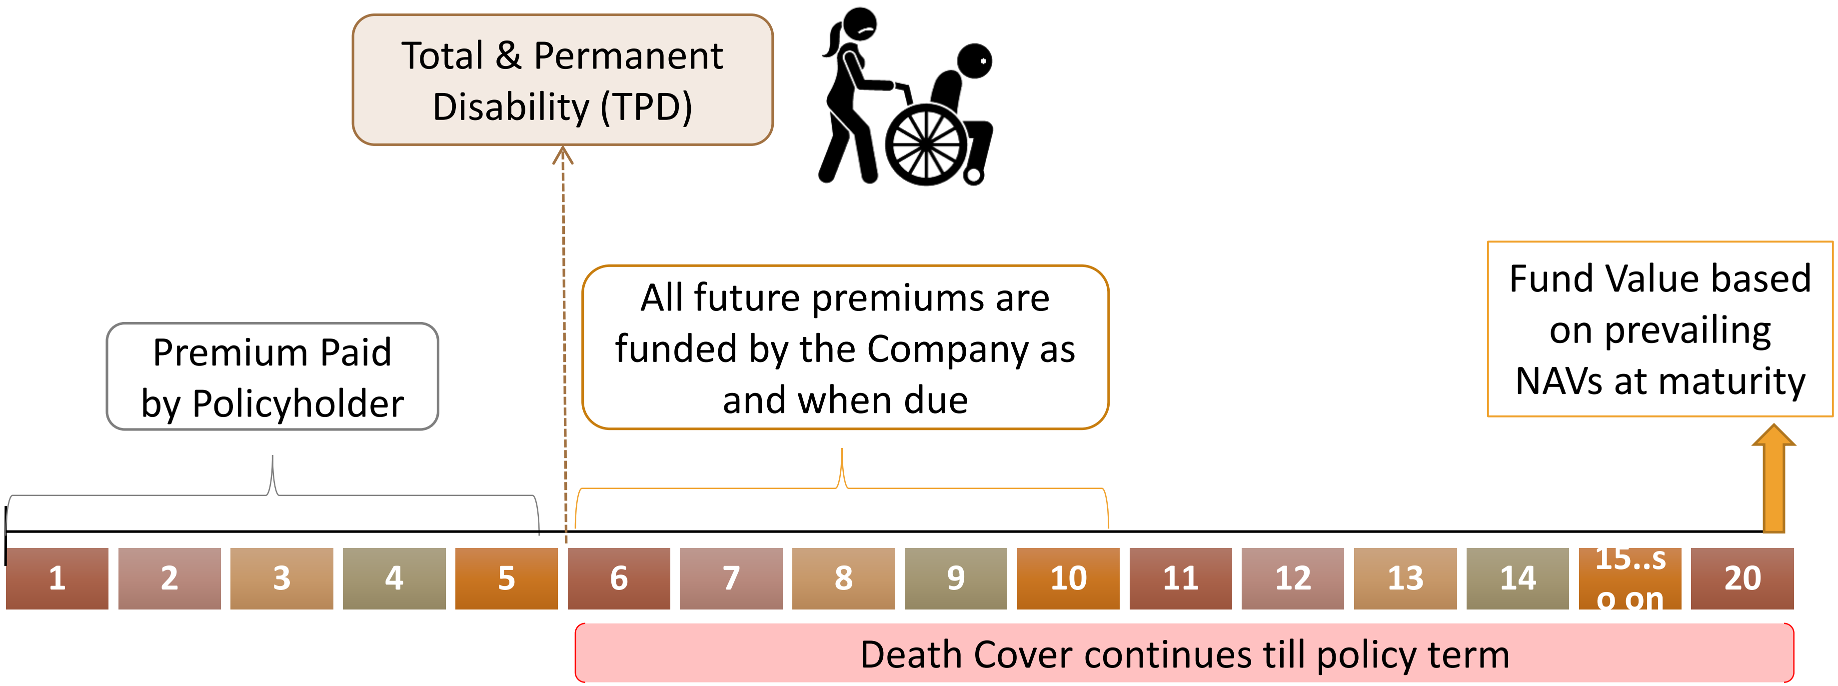


Note : The future premiums funded by the Company after deduction of allocation charges along with Goods and Services Tax & applicable cess (es)/levy as applicable, if any, shall be invested in various unit funds in the same allocation proportion as opted for. All the charges except mortality and morbidity charges(if applicable) shall continue to be deducted

Product Benefits

Total & Permanent Disability Benefit (if opted)

No immediate benefit (Sum Assured or lump sum amount) is payable in case of TPD benefit



- Note : The future premiums funded by the Company after deduction of allocation charges along with Goods and Services Tax & applicable cess (es)/levy as applicable, if any, shall be invested in various unit funds in the same allocation proportion as opted for. All the charges except mortality and morbidity charges(if applicable) shall continue to be deducted
- The death cover shall continue after the acceptance of the Total & Permanent Disability claim and hence the mortality charge under such case shall be deducted till earlier of death of the life assured or maturity date.

Death Benefit in Discontinuance State or Paid-Up State

Discontinuance state due to non-payment of Premium before the end of Lock-in Period
• Proceeds of Discontinued Policy Fund will be payable

Reduced Paid-up state* after lock-in period
• **Higher** of Paid-up Sum Assured** OR 105% of all Premiums paid up to date of death And • Fund Value as on date of intimation of death claim

- In case policy is in Discontinuance or Reduced Paid-up state after the lock-in period, the premium funding and TPD benefit for such a policy, will cease immediately until it is revived and no charges for the ceased benefits shall be deducted
- Policy will terminate after the payment of above death benefit

*Reduced Paid-up state - state of the policy attained due to non-payment of due premium after completion of Lock-in Period, wherein the policy continues in this state till the end of the Revival Period unless revived, with the risk cover and charges continuing as per the terms and conditions of Policy
**Paid-up Sum Assured is the amount calculated as Sum Assured multiplied by the total number of premiums paid divided by the total number of premiums payable during the Policy Term. Policy shall terminate after payment of any of death benefit

Product Benefits
Tax Benefit

Canara HSBC OBC Life Insurance

aapke vaade,
sar aankhon par

- Premium paid under this product are eligible for Tax deduction as per the rule of section 80C of Income Tax Act, 1961

- Maturity and death benefits received will be eligible for tax benefits u/s 10.10(D) of Income Tax Act, 1961

For tax related queries, contact your independent tax advisor

Product Feature
Surrender

Surrender during Lock-in Period

- If the Policy is surrendered within the first 5 Policy Years, surrender value (Fund Value less applicable surrender charges) will be transferred to the Discontinued Policy Fund and will earn at least a minimum guaranteed interest rate of 4% per annum or as prescribed by IRDAI from time to time
- Proceeds of discontinued Policy will be paid only after completion of 5th Policy Year

Fund Name	Fund Philosophy	Asset Allocation*		Risk Profile
Discontinued Policy Fund^	To generate reasonable returns on funds from discontinued policies determined in accordance with Regulations	Equity		Low
		Govt. Securities	60%-100%	
		Money Market	0%-40%	

^ Only available in case of Discontinuance/ Surrender of a Policy during the first five Policy Years

Surrender after Lock-in Period

- If the Policy is surrendered after completion of 5th Policy Year, Fund Value will be paid immediately
- On such payment risk cover will cease and Policy will terminate and cannot be revived thereafter

Product Feature

Discontinuance of Policy during Lock-in Period

- If due Premium is not received by expiry of Grace Period, Fund Value less applicable Discontinuance Charges will be transferred to the Discontinued Policy Fund (DPF) and risk cover under the Policy will cease
- On such Discontinuance, Company will communicate the status of Policy within 3 months of the first unpaid premium, to policyholder and provide option to revive the Policy within Revival Period of 3 years

  I. **In case Policyholder opts to revive but does not revive Policy during Revival Period**
     - Proceeds of DPF will be paid to the Policyholder at the end of Revival Period or Lock-in Period whichever is later and Policy will terminate upon such payment
     - In respect of Revival Period ending after Lock-in Period, Policy will remain in DPF till the end of Revival Period
     - Fund Management Charge (FMC) of DPF will be applicable during this period and no other charges will be applied

  II. **In case Policyholder does not exercise the option as set out above**
     - Policy will continue without any risk cover and the policy fund will remain invested in the DPF. At the end of the Lock-in Period, the proceeds of the DPF will be paid to the Policyholder and the Policy will terminate

  III. **Policyholder has an option to surrender Policy anytime** and proceeds of discontinued policy will be payable at the end of Lock-in Period or date of surrender whichever is later
- Until expiry of Grace Period, Policy is deemed to be in-force with benefits and applicable charges continuing as per terms and conditions of Policy

Discontinuance of Policy after Lock-in Period

- If due Premium is not received by expiry of Grace Period, Policy will be converted into a Reduced Paid-up Policy with the Paid-up Sum Assured
- Policy will continue to be in Reduced Paid-up status. All applicable charges as per terms and conditions of the Policy will be deducted during Revival Period
- Upon such Discontinuance, Company will communicate status of the policy within 3 months of the first unpaid premium, to Policyholder and provide following options:
  1. Revive the Policy within a Revival Period of three years.
  2. Complete withdrawal of the Policy

    I. **In case Policyholder opts to revive (Option 1) but does not revive Policy during Revival Period**
      - Fund Value will be paid to Policyholder at the end of Revival Period or at the end of Policy Term, whichever is earlier and Policy will terminate upon such payment

    II. **In case Policyholder does not exercise the option as set out above**
      - Policy will continue to be in Reduced Paid-up status
      - Fund Value will be paid to the Policyholder at the end of the Revival Period or at the end of the Policy Term, whichever is earlier and Policy will terminate upon such payment

    III. **Policyholder has an option to surrender the Policy anytime** and Fund Value will be payable

- Until the expiry of Grace Period, the Policy is deemed to be in-force with benefits and applicable charges continuing as per terms and conditions of the Policy

Product Feature
Revival

aapke vaade,
sar aankhon par

- Revival can happen if Policyholder opts for “Revival Option” on receiving the notice

- In case of Discontinuance of Policy due to non- payment of due premium(s), Policyholder can apply for revival of such a Policy by paying all due and unpaid Premiums, within Revival Period of 3 consecutive years from the date of first unpaid premium

- Company reserves the right to revive Policy either on its original or modified terms and conditions or reject the revival as per its Underwriting decision

- **At the time of revival, the Company will:**
  - Collect all due and unpaid Premiums without charging any interest or fee
  - Levy Premium allocation charges and Policy administration charge as applicable during discontinuance period
  - Add back to the Fund Value, discontinuance charges deducted at the time of discontinuance of Policy (applicable for policies discontinued during the Lock-in Period)

- Post revival, original risk cover will be restored in accordance with terms and conditions of policy

› *For more details on Revival, refer to product brochure available on company’s website*

Charges

All charges are exclusive of Goods and Services Tax & applicable cess (es)/levy, if any, as applicable and amended from time to time which will be borne by the Policyholder

Product Feature

Annexure

Nominee in Smart Future Plan

There could be nominee who could be the spouse, child or other person with insurable interest

Sum at Risk (SAR) –
Calculation of Mortality Charges

- **SAR will be :**
  1. Higher of Sum Assured or 105% of the total premiums paid *Plus*
  2. Present Value of future premiums for an in-force policy

- **SAR during the Settlement Period is computed as the higher of:**
  1. 105% of the total premiums paid less Fund Value as on that date; or
  2. Zero

- **For Reduced Paid-up policy, SAR will be :**
  1. Higher of Paid-up Sum Assured or 105% of the total premiums paid

- **In case claim for TPD is accepted, SAR will be :**
  1. Higher of Sum Assured or 105% of all premiums paid

Paid-up Sum Assured
Calculation

Paid-up Sum Assured	$\frac{No.of\ Premiums\ paid}{Total\ No.of\ Premiums\ payable\ during\ policy\ term} \times Sum\ Assured$

Key Terms

aapke vaade, sar aankhon par

- **Grace Period :** a period of 30 days for Annual Mode of Premium payment and 15 days for Monthly Mode of Premium payment from the due date to pay the Premiums, during which life insurance cover will continue
- **Revival Period :** period of three consecutive complete years from the date of first unpaid premium during which period the Policyholder is entitled to revive the Policy which was discontinued due to the non-payment of Premium
- **Lock-in Period:** period of 5 consecutive completed years from the date of commencement of the Policy, during which period proceeds of the discontinued policies cannot be paid by insurer to Policyholder or to Life Assured, as the case may be, except in case of death
- **Free-look period**
  - Policyholder has the right to cancel Policy within 15 days from date of receipt of Policy document, and period of 30 days in case of electronic policies and policies obtained through distance mode, in case he/she does not agree with any of terms and conditions of Policy
  - If Policyholder cancels Policy during free look period, Company will refund Fund Value on the date of cancellation plus any non-allocated Premium amount plus any charge deducted by cancellation of units, after deducting proportionate risk premium for the period of insurance cover and expenses incurred on stamp duty and medicals (if any)
- **Discontinued Policy Fund (DPF):** means the segregated fund of the insurer that is set aside and is constituted by the fund value, as applicable, of all the policies discontinued during the Lock-in Period determined in accordance with IRDAI (Unit Linked Insurance Products) Regulations, 2019. The Company will levy only Fund Management Charge as mentioned in 'Charges' section.
- **Minimum Guaranteed Interest Rate:** This means the rate applicable to the Discontinued Policy Fund as declared by IRDAI from time to time. The current minimum guaranteed rate of interest applicable to the Discontinued Policy Fund is 4% per annum

Total and Permanent Disability

Total and Permanent Disability shall mean the occurrence of any of the following conditions as a result of accidental bodily injury: -

- Total and irrecoverable loss of sight of both eyes. The blindness must be confirmed by an Ophthalmologist; loss of sight - means total, permanent and irreversible loss of all vision in both eyes as a result an accident

OR

- Loss by severance of two or more limbs at or above wrists or ankles. Limb means the whole hand at or above the wrist or the whole foot at or above the ankle.
- Above disability must have lasted, without interruption, for at least 6 consecutive months and must, in the opinion of a registered medical practitioner appointed by the Company, be deemed permanent and total

Exclusions

Suicide

- In case of death due to suicide within 12 months from date of commencement of Policy or date of revival of the Policy, Claimant shall be entitled to Fund Value as available on the date of intimation of death
- Any charges other than Fund Management Charges recovered subsequent to the date of death of the Life Assured shall be added back to Fund Value as available on the date of intimation of death
- Policy will terminate upon payment of such benefit amount

Total and Permanent Disability

- Exclusions for Total and Permanent Disability is mentioned in product brochure and sample policy contract available on our website
