Key features of Max Life Smart Wealth Income Plan

Depending on whether you want income early, or a few years down the line, your needs will define your choice of plan.

 **3 plan options to build your additional income stream**
Choose between Early Income, Early Income with Guaranteed[~] Money Back or Deferred Income Plan options available, that come with inbuilt guarantees[&] and cash bonuses^{**}.

 **Option to accrue survival benefits and take them as per need**
Choose to accrue your survival benefit pay-outs and withdraw as much as you like, whenever you like.

 **Choice of income period including Whole Life Income* Option**
Flexibility to receive income and avail life cover till 100 years, 85 years or 75 years of attained age.

 **Enhanced protection through optional riders and Policy Continuance Benefit (PCB)^{**}**
Customize your protection cover by opting for riders by paying a small amount of extra premium. Policy Continuance Benefit if opted, ensures your survival and maturity benefits continue to be paid, as and when due in case of death of the Life Insured without any need of premium payment.

 **Tax Benefit**
You may be eligible for tax benefits as per prevailing income tax laws.
