Premium	- Min : depends on entry age, monthly income and premium mode chosen - Max : No Limit (subject to underwriting)
Sum Assured	100 times the chosen Monthly Income
Surrender	Policy acquires a guaranteed surrender value after payment of at least 2 full years premium
Revival Period	Policy can be revived within a period of 5 years from the due date of the first unpaid premium.

Bonuses

- Annual Bonus and Final Bonus (if any) are available
- Annual Bonus is Simple Reversionary type and expressed as percentage of Sum Assured
- Bonus will be based on the surplus emerging in the With- Profit fund managed by Company
- Bonuses are added in this plan provided premiums are paid as and when due
- In case of death, an interim bonus for the part of the year in which death occurs may also be payable
- Final Bonus (terminal bonus): The policy may also receive Final Bonus (if any), expressed as a percentage of Sum Assured

There is no guarantee on the amount of future bonuses and these will be declared at the sole discretion of the company. Hence, the bonuses in this plan may vary from time to time.

Product Benefits

1. Death Benefit:

- Death Benefit Sum Assured (DBSA) is higher of
 - i. Sum Assured,
 - ii. 10 times Annualised Premium
- Death benefit equal to DBSA along with added Annual Bonuses (and interim bonus for the part of the year in which death occurs) and Final Bonus, if any accrued till date of death
- ***Subject to a minimum death benefit equaling 105% of the total premiums paid till date of death (excluding underwriting extra premiums paid, if any)***
- ***Monthly incomes paid, if any will not be adjusted from the Death Benefit***

Product Benefits

2. Guaranteed Income Benefit

- a) Monthly Income Benefit for 15 years
- b) 1st monthly income will be paid at end of 1st month in 11th policy year
- c) Paid till the end of 25th policy year and policy will terminate

Monthly Incomes are guaranteed only if premiums are paid as and when due, provided the Life Assured is alive

Monthly incomes paid, if any will not be adjusted from the Death Benefit

Product Benefits

3. Maturity Benefit

- **Accumulated Annual Bonuses (for all years in the policy) along with Final Bonus, if any,** provided life assured is alive and policy is in-force on the maturity date

There is no guaranteed maturity Sum Assured available under this product

Rebates

This plan offers rebate on the premium payable, if Sum Assured is higher than or equal to 7,00,000;

Sum Assured (₹)	Rebate on Premium (per 1000 of Sum assured)

 - Once Monthly Income starts
 - Policy in Paid-up status
 - Set-off is chosen

If not repaid, the Outstanding Loan Amount including outstanding interest, if any will be adjusted from the Death/ surrender/ Income benefit as applicable.

Discontinuance of Premium

Conditions	Description
Discontinuance <u>during</u> first policy year (Policy has not acquired paid-up value)	- Life cover lapses after grace period - No policy benefits are payable
Discontinuance after paying first policy year full premium but <u>before</u> paying second policy year full premium(s) (Policy has not acquired paid-up value)	- Life cover lapses after grace period - Early Exit Value of 10% of the Total Premiums Paid, excluding underwriting extra premium, if any, will be payable on earlier of upon death or surrender or end of 5 years' revival period
Discontinuance <u>after</u> paying first 2 policy years full premiums (Policy has acquired paid-up value)	- Acquires Paid-up value after grace period and continues at paid-up value - Continues with reduced benefit till maturity or death, whichever is earlier - Policy is not eligible for future bonuses as long as his policy is in Paid-up state. However, the bonuses already added to his policy before policy going Paid-up will remain guaranteed. - Facility of loan will not be available after policy going Paid-up

Paid-up Value

Reduced Survival, Maturity & Death Benefit

Policy will acquire a Paid-up status at the expiry of the Grace Period from the due date of the first unpaid premium, provided atleast first 2 consecutive policy years' full premiums have been paid

Reduced Monthly Income Benefit

- (Monthly Income chosen by the policyholder at policy inception) *
(Number of premiums paid / Total Number of premiums payable)

Reduced Maturity Benefit

- All added annual (simple reversionary) bonuses (before policy going Paid-up) will be paid to him at maturity only.
- No bonuses (including Final (terminal) bonus, if any) will be added to the policy in future, unless the policy is revived

Reduced Death Benefit

- Death Benefit Sum Assured* (Number of premiums paid / Total Number of premiums payable) + Annual bonuses added under the policy till the policy acquired Paid-up status
- On payment of the death benefit, policy shall terminate

Revival

Revive Policy within revival period of 5 years from due date of first unpaid premium

Pay all past due premiums along with applicable interest rate

Revival request may be accepted or declined as per Board Approved Underwriting Policy of Company

If a policy in lapse state is not revived within the revival period, it shall terminate upon expiry of the revival period

Post revival of policy, product benefits including bonus amount would be reinstated to full level

Surrender

Surrender Value

- Surrender the policy any time during the policy term

- Policy acquires a Guaranteed Surrender Value as well as Special Surrender Value (SSV) after payment of at least 2 consecutive policy years' premiums

Surrender Value : higher of {Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV)}

Surrender Value

Guaranteed Surrender Value (GSV) & Special Surrender Value (SSV)

Guaranteed Surrender Value: $A^*(\text{Total Premiums Paid excluding underwriting extra premiums, if any}) + B^*(\text{Sum of Bonuses accrued before acquiring paid-up status}) - C$

Where A & B are as provided in product brochure available on Company's website and C is defined as Sum of Monthly Incomes already paid, if any

Special Surrender Value: determined by the Company and may vary from time to time with prior approval of the Authority

Note: For the details on Guaranteed Surrender Value percentages (Factors), please refer the Sample Policy Contract available on Company's website.

Suicide

- Within 12 months from the date of commencement of risk under Policy, Nominee shall be entitled to at least 80% of the total premiums paid, till the date of death or surrender value available as on the date of death whichever is higher, provided the Policy was in-force
- Within 12 months from the Revival date of the Policy, the Nominee shall be entitled to an amount which is higher of 80% of the total premiums paid till the date of death or the surrender value as available on the date of death

Sample Benefit Illustration

- Let's understand the benefits of this plan with the help of an example

Client Profile

- Mr. Arun, who is 45 years old, has 2 kids, aged 10 and 7. Although his present income is sufficient to meet his and his family's current needs, he wants to ensure a guaranteed source of supplemental income of 10,000 per month in case his mainstream income is insufficient

Financial Goals

Through his desired supplemental income, he will be sure to:

- **Meet** children's needs as they grow up,
- **Enhance** lifestyle by upgrading his household assets,
- **Maintain** lifestyle during retirement years and
- **Create** a corpus as a legacy for his family

Need Based Solution

- He chooses Smart Monthly Income Plan and pays annual premium of ₹ 1,39,130 (before applicable Goods and Services Tax & applicable cess (es)/levy, if any) for 10 years

Sample Illustration

- Death Benefit Sum Assured of 13,93,100, which is higher of (Sum Assured: 10,00,000 and 10 times Annualised Premium: 13,93,100)
- Annual Bonuses added till date of death and final bonus (if any)
- Death benefit will be at least 105% of Premiums Paid till date of death less underwriting extra premiums, if any
