PROSPECTUS

The Proposer shall have an option to avail Flexi OP Care-Add-on Cover, on payment of additional premium along with Flexi Health

OPD treatment means the one in which the Insured visits a clinic / hospital or associated facility like a consultation room for diagnosis and treatment based on the advice of a Medical Practitioner. The Insured is not admitted as a day care or in-patient.

Minor illness or injuries require you to visit the doctor, buy medicines or diagnose through a lab test and these costs may seem lower than cost of major illness or admission in hospital. But as a matter of fact, Outpatient (OP) costs account for more than half of the healthcare costs in India. OP costs are frequent and can significantly impact your savings accumulated over a long time.

To address this issue, Chola MS has designed an add-on cover that gives you a seamless experience with

- Unlimited In person and Teleconsultations from Network Facility
