Aviva Young Scholar Advantage – Benefits

Death Benefit: In case of unfortunate death of life insured during the term of the policy and subject to the condition that all due premiums have been paid:

- Higher of Base Sum Assured or 105% of the premiums paid excluding taxes will be paid immediately to the nominee (Beneficiary) or if the Nominee (Beneficiary) is a minor, then to the Appointee along with the Top-up Sum Assured, if any.
- All the future premiums, if any, will be waived and paid (as a lump sum) into your fund basis the last paid premium amount. The lump sum will be invested in various funds in the same allocation proportion as was prevailing before the date of notification of your death. NAV applicable on the date of notification of death shall be used for the creation of such units.

In case of accidental death of the Life Insured where accident means a sudden, unforeseen and involuntary event caused by external, visible and violent means provided the age of the Life Insured is not more than 60 years last birthday as on date of death then, in addition to the death benefit mentioned above, a benefit equal to the Accidental Death Sum Assured shall also be payable. Accidental death sum assured is base sum assured subject to maximum of ₹ 50 lacs, including accidental death cover under all existing policies.

After the death of the Policyholder i.e. insured no rights of the policy will be transferred to either the Appointee or to the Nominee (Beneficiary) and the policy will continue till the date of maturity and policy will be terminated by paying the fund value as on maturity date.

In case of unfortunate death of Nominee (Beneficiary) before the life insured:

- Other child, if any, should be the new Nominee (Beneficiary).
- In absence of other child, new Nominee (Beneficiary) can be one with whom insurable interest exists.

The policy will continue for the benefit of new Nominee (Beneficiary) appointed by the Policyholder.

In the event of death of Nominee (Beneficiary) after the death of life insured, the policy will terminate and the Fund Value as on date of termination shall be payable to the surviving legal heir.

If a policy is discontinued, the Company shall send a notice within a period of 15 days from the date of expiry of grace period to the Policyholder to exercise the option to revive the policy within a period of 30 days of receipt of such notice. During this period the policy is deemed to be in-force with full risk cover as per terms and conditions of the policy and death benefit described above shall be payable during this period.

For Paid-up Policy on death of life insured, following death benefit shall be:

- a. Higher of Paid-Up sum assured or 105 percent of premiums paid, and
- b. Higher of top-up sum assured or 105 percent of top-up premiums paid

Paid-up Sum Assured=Sum Assured X Number of Regular Premiums paid/ Total number of Regular Premiums Payable.

There will not be any waiver of future premiums in case of death of the life insured when the policy is in paid-up status.

Loyalty Additions: Loyalty addition is the addition to the fund value at various durations of time during the policy term.

In case you continue this policy and keep paying all the due premiums, then we shall provide fund value related loyalty additions. The amount of loyalty additions will be % of fund value pertaining to regular premium as given below:

Policy Year	Loyalty Additions as % of value of units (Fund Value) pertaining to regular premium
End of 10th policy year	1.00%
End of 15th policy year	3.00%
End of 20th policy year	4.00%
End of 25th policy year	5.00%

This addition shall be calculated with respect to units existing at the end of relevant policy year. Loyalty additions are guaranteed and once allotted shall continue to be attached and payable under all events.

The Loyalty additions will be added even after the death of life insured.

The units pertaining to top-up premium, if any, will not qualify for above Loyalty additions.

Maturity Benefit: On maturity, the value of units pertaining to regular premium and top-up premium, if any, as on the maturity date is payable.

Following are the projected maturity values for a male aged 30 years, who pays premiums yearly and invests 100% into Enhancer Fund-II:

Kindly note:

- The assumed rates of return shown in the illustration above are not guaranteed and they are not the upper or lower limits of what you might get back as the value of your policy depends on a number of factors including future investment performance.
- Taxes including but not limited to Goods & Services Tax, Cesses as applicable shall also be levied as notified by the Government from time to time. Tax laws are subject to change.

Discontinuance and Complete withdrawal:

Discontinuance during first 5 years:

On Discontinuance during the lock-in period of 5 years, the risk cover under the policy will cease immediately. The fund value as on the date of withdrawal will be credited to the Discontinued Policy Fund after deduction of applicable discontinuance charge and will be refunded at the end of lock-in period. During such period, your fund will continue to earn income. The Proceeds of such discontinued policy will mean the fund value of the Discontinued Policy Fund (as defined in the Annexure) as payable on death/revival/surrender, as applicable. The minimum guaranteed interest rate applicable on the Discontinued Policy Fund shall be 4% p.a. or as per the guidelines issued by IRDA from time to time.

Complete withdrawal after 5 policy years:

On complete withdrawal after the lock-in period of 5 years, the Fund Value pertaining to regular premiums and top-up premiums, if any, shall be paid to you and the policy will terminate.

Partial Withdrawal

This plan addresses any liquidity concerns you may have by allowing you to withdraw money from your fund without complete withdrawal of your policy. You may make upto 4 partial withdrawals in a policy year, with the minimum withdrawal amount being ₹ 5,000.

First the partial withdrawal will be made from the fund value pertaining to top-up premium and then from the fund value pertaining to regular premium.

Partial withdrawals from fund value pertaining to top-up premiums are allowed after 5 years from the date of payment of top-up premium. Partial withdrawals from fund value pertaining to regular premiums are allowed after first 5 policy years.

The minimum balance after partial withdrawal should not fall below 2 times of first year premium.

The sum assured will not change on making partial withdrawals from the units pertaining to regular premium/top-up premiums.

Note: Except in the last 2 policy years, Partial withdrawals from Fund Value pertaining to regular premium shall be allowed only to the extent of 25% of the Fund Value pertaining to the regular premium as at the start of the policy year in which the partial withdrawal(s) are being made.

Systematic Partial Withdrawal

The Policyholder will have the choice to opt for a Systematic Partial Withdrawal option after completing first 5 policy years anytime during the policy term except during the last 3 years before maturity. Under this option, a fixed

percentage of fund value pertaining to regular premium at the time of start of Systematic Partial Withdrawal shall be payable to the Policyholder as structured payouts out of his Unit account subject to following conditions.

- The option can be exercised by giving a written notice at least 15 days before the month from which systematic withdrawal should start, provided the Fund Value at the time of start of Systematic Partial Withdrawal is at least be ₹1,50,000.
- Payout Amount should be in the range of 0.25% to 1% of Fund Value pertaining to regular premiums per month multiplied by payout frequency opted by the Policyholder subject to a minimum of ₹ 15,000 per annum at the time of starting this option.
- The Payout Term should be at least 3 years and can be opted in complete number of years' upto maturity, while the frequency of payout can be selected from yearly, half yearly, quarterly or monthly.
- Direct Credit/ECS is available for all payout modes but facility to pay through Cheque is available only for Yearly and Half Yearly payout modes.
- If at any time, during the payout period, the fund value falls below 2 times the first year annualized premium, then the Systematic Partial Withdrawal will stop and the policy will continue as per the standard terms and conditions.
- During the payout period, all investment risks shall continue to be borne by the Policyholder.

Policyholder can stop this option at any time during the policy term. Policyholder can also restart this option subject to the conditions mentioned above.

Tax Benefits

The laws are as per the prevailing tax laws. Tax laws are subject to change.

MM stands for Money Market instruments.

Investment Pattern of Discontinued Policy Fund: The Investment Pattern for Discontinued Policy Fund, as mentioned in the Annexure, will be as follows.

Fund Name and Objective	Asset Allocation	Risk Profile
Discontinued Policy Fund [SFIN: ULIF03127/01/2011LIDISCLPY122] To provide a minimum guaranteed rate as prescribed by IRDA from time to time.	MM: 0 to 40% Government Securities: 60% to 100%	Low

The interest rate applicable to the Discontinued Policy Fund shall be declared subject to minimum guaranteed interest rate prescribed by IRDA from time to time. The current minimum guaranteed rate of interest applicable to the Discontinued Policy Fund shall be 4% per annum. The excess income earned in the Discontinued Policy Fund over and above minimum guaranteed interest rate shall also be apportioned to the discontinued policy fund.

The Fund Management Charge of this fund will be 0.50% per annum or as per the guidelines issued by IRDA from time to time.

You may kindly note that:

- Minimum and maximum limits on asset categories, as above, have been determined to have the investment flexibility in the fund to take the advantage of investment opportunities vis-à-vis risks involved. It is recommended that your choice of funds be based on your investment objectives and your appetite for risk. Ideally, you should opt for a mix of all funds, which results in diversification and consequently lower risk.

a) Systematic Transfer Plan (STP): Systematic Transfer Plan (STP) is a plan, which allows you to enter the equity market not abruptly at once but slowly at different times and at different levels and to enter the debt market during the last 2 years before maturity. This has the effect of averaging out the risks associated with the equity market, thus reducing the overall risk to you. However, all investments through this option are still subject to investment risks, which shall continue to be borne by you. STP has following features/conditions:

- Systematic Transfer Plan facilitates switching of units from Protector Fund-II to Enhancer Fund- II during the policy term except during last two policy years. During last two policy years the fund is switched back to Protector Fund– II.
- Systematic Transfer Plan (STP) option shall be available on any policy anniversary during the term of the policy except last three policy years, by giving a written notice at least 30 days prior to the policy anniversary.
- You have the option to choose between a monthly or a weekly STP for switching in equity market, but switching to debt market in last 2 policy years before maturity, shall be monthly only.
- Under this option, the following proportion of units in the Protector Fund-II will be switched from the Protector Fund-II into the Enhancer Fund-II every month/week during the policy year(s) (except for the last two policy years) in

In case you have opted for a **monthly STP**, then:

Month 1	1/12th of the units available at the end of Month 1
Month 2	1/11th of the units available at the end of Month 2
Month 6	1/7th of the units available at the end of Month 6
Month 11	1/2 of the units available at the end of Month 11
Month 12	Balance units available at the end of Month 12

In case you have opted for a **weekly STP**, then:

Week 1	1/52nd of the units available at the end of Week 1
Week 2	1/51st of the units available at the end of Week 2
Week 26	1/27th of the units available at the end of Week 26
Week 51	1/2 of the units available at the end of Week 51
Week 52	Balance units available at the end of Week 52

- During the last 2 years (i.e. last 24 months) before maturity, the following proportion of units in the Enhancer Fund-II will be switched from the Enhancer Fund-II into the Protector Fund-II:

Month 1	1/24th of the units available at the start of 24th month before maturity
Month 2	1/23th of the units available at the start of 23th month before maturity
Month 12	1/13th of the units available at the start of 12th month before maturity
Month 23	1/2 of the units available at the start of 2nd month before maturity
Month 24	Balance units available at the start of last month

which the STP option is being exercised:

- This option is available provided at least 10% of premium is allocated to Protector Fund-II.
- All the 12/52 automatic switches in a policy year will be free of cost.
- Conditions regarding switch fee, minimum switch, and minimum fund after switch etc. for normal switching option shall not be applicable to switches made under Systematic Transfer Plan.
- You may stop the automatic switches with effect from the next policy anniversary by giving a written request at least 30 days before the start of the policy anniversary.
- You may restart for this plan by applying at least 30 days prior to the start of automatic switching from Enhancer Fund-II to Protector Fund-II, even if he had stopped this plan in past. This plan shall only start at the policy anniversary.
- No other switches into or from the Protector Fund-II is allowed during switching to Enhancer Fund-II, correspondingly no other switches into or from the Enhancer Fund-II is allowed during switching to Protector Fund-II.
- Systematic Transfer Plan will not be available with Automatic Asset Allocation option.

- b) Automatic Asset Allocation (AAA) Plan:** This option helps you to automatically decrease your exposure to equity and increase your exposure to debt, as you grow older. This option relies on the fact that an individual's risk appetite reduces with age and he tends to be more conservative with his investment. This option provides you the flexibility of leveraging the returns from equity market and secure/book the profits by the way of auto asset allocation (balancing) as he advances in his age.
- You can opt for AAA only at the inception of the policy, if your premium frequency is yearly.
 - Choose the initial allocation into Enhancer Fund-II and Bond Fund-II. Your first year premium will be allocated as per the proportion specified by you. Allocation to any other fund is not allowed when AAA is opted.
 - At the end of every year, the accumulated fund value will be automatically redistributed through switching between Enhancer Fund-II and Bond Fund-II using the formula:

$$\text{Allocation to Enhancer Fund-II} = X\% - \left(\frac{X\%}{\text{Policy term}} \right) * (Z - Y)$$
 - Where X% is the initial allocation into Enhancer Fund-II, Y is your age at exercising AAA and Z is your current age. Balance will be allocated to Bond Fund-II.
 - The restriction of minimum switch amount and minimum balance after switch is not applicable for switching under AAA.
 - The future premiums will also be allocated into Enhancer Fund-II and Bond Fund-II using the above formula every year.

- During the period when AAA is operational, no other switches into or from the Bond Fund-II and Enhancer Fund-II is allowed.
- AAA may be stopped on any policy anniversary by a written request at least 30 days prior to the policy anniversary. Once discontinued, this option can not be restarted.
- AAA can not be opted along with STP.

c) Top-up premium:

- You have the option to make additional lump sum investments through top-ups anytime during the policy term, provided all due premiums are paid. Top-up premiums will carry a Sum Assured of 1.25 times of the top-up premium paid.
- The minimum top-up premium is ₹ 5,000
- Top-up will not be allowed in last 5 policy years
- At any point during the currency of the contract, the total top-up premiums paid should not exceed the sum of the regular premiums paid till that point of time.
- There would be "Lock-in-period" of five consecutive years from the date of allocation of each Top-up premium. During this lock-in-period no partial withdrawal will be allowed. However, payment with respect to units pertaining to Top-up premiums will be made only in case the policy is terminated due to:
 - Complete withdrawal from the policy after the lock-in-period of first five year from the commencement date, or
 - Death of Life Insured

d) Unit Switches:

- This option helps you to adjust your existing investment in various funds in accordance with your changing needs/preferences. You may switch your accumulated funds (partly or fully) between the 7 funds anytime during the policy term.
- In case of a part switch, the minimum amount switched and balance left in the fund after switching should be ₹ 5,000.
- The first 12 unit switches in a policy year are free of charge.
- Subsequent switches will be charged at the rate of 0.5% of the amount switched subject to a maximum of ₹ 500

e) Premium re-direction:

- This option helps you to modify the allocation proportion of your future premium into various funds in accordance with your changing needs/preferences. You have the option to redirect your premiums to different funds at anytime, upto 2 times in a policy year, for all future premiums. The unused options cannot be carried over the future years and limit is 2 times in a policy year.
- The minimum allocation in each selected fund must be at least 10%.

f) Settlement option

- This option allows you to keep your money invested in the fund even after maturity and enables you to receive the same systematically over a period between 1 to 5 years. This option can be opted at maturity only, by giving a written notice at least 15 days before maturity.
- This option is allowed only if you have paid all due regular premiums.
- The payout option allowed is as a fixed units per payout or fixed amount per payout on a monthly, quarterly, half-yearly or yearly basis through cheque or direct credit/ECS (mandatory for monthly and quarterly frequency).
- You shall have to state the proportion, subject to a minimum of 25%, of the Maturity Benefit that you want to be paid as structured payouts through this Settlement Option.
- Partial withdrawals and Unit switches will not be permitted during the Payout Term.
- All these payments will be made as arrears and there will be no risk cover during the settlement period. The death benefit shall be the balance Fund Value.
- If at any time during the settlement option period, the Fund Value falls below the first year annual regular premium then the Fund Value shall be paid to the Policyholder immediately and the policy shall terminate.
- No charges except the Fund Management Charge shall be levied during the Payout Term.

- During the settlement option period, all investment risks shall continue to be borne by you.
- Complete withdrawal will be allowed at any time during the settlement period without levying any charge.

Annexure

1. Lock-in-period

Lock-in-period means the period of five consecutive years from the date of commencement of the policy, during which period the proceeds of the discontinued policies cannot be paid by the Company to the policyholder or to the life insured, as the case may be, except in the case of death of life insured.

2. Coverage of minor lives:

If the life insured is a minor at the date of commencement, then

- Premiums will be payable by the policyholder who can either be a parent or grandparent or legal guardian of the life insured. In case of death of the policyholder before the premium payment term is over, future premiums can be paid by the surviving parent/legal guardian of the life insured. If the life insured is a minor and in case future premiums are not paid, discontinuance provisions will apply.
- In case of death of the policyholder when the life insured is a minor, the policy shall vest in the surviving parent/legal guardian of the life insured upon submission of necessary application and supporting documents as required by the Company.
- Policy shall automatically vest in the life insured on his/her completion of 18 years of age.
- Risk shall commence immediately from the date of commencement of the policy.

3. Freelook Period:

Right to review the policy terms and conditions within 15 days from the date of receipt of the policy document. If the policy is sold through voice mode (which includes telephone-calling), short messaging service (SMS), electronic mode which includes e-mail, internet and interactive television (DTH), physical mode which includes direct postal mail and newspaper & magazine inserts, and solicitation through any means of communication other than in person, the freelook period would be 30 days.

If you disagree to any of those terms or conditions, you have option to return the policy stating the reason of your objection. You shall be entitled to a refund of the fund value on the date of cancellation plus the un-allocated premium (allocation charges) plus any charge deducted by cancellation of units minus proportionate risk charges for the period on cover minus expenses incurred on medical examination, if any, and stamp duty charges.

The Policy Terms & Conditions are available on our website, www.avivaindia.com

4. Grace Period: There is a grace period of 30 days to pay premium.

5. Discontinuance of Policy

"Discontinuance" means the state of a policy that could arise on account of surrender of the policy or non-payment of the contractual premium due before the expiry of the notice period defined in this section.

"Date of discontinuance of the policy" shall be the date on which the Company receives the intimation from the policyholder about discontinuance of the policy or surrender of the policy or on the expiry of the notice period, whichever is earlier.

"Discontinued Policy Fund" means the segregated fund of the Company that is set aside and is constituted by the fund value of all discontinued policies determined in accordance with the prevailing regulations. The investment structure of the Discontinued Policy Fund is mentioned in the investment options section of this document.

"Proceeds of the discontinued policy" means the fund value of the Discontinued Policy Fund as payable on death/revival/surrender (as applicable).

Discontinuance during lock-in-period

Where the contractual premium due is not paid before the expiry of the grace period, the Company shall send a notice within a period of 15 days from the date of expiry of grace period to the Policyholder to exercise one of the below options within a period of 30 days of receipt of such notice:

- i. Revive the policy within a period of two years, or
- ii. Complete withdrawal from the policy without any risk cover

The fund value of the policy shall be part of the segregated fund chosen till the policyholder exercises his/her option or till the expiry of 30 days of notice period

whichever is earlier. During this period, the policy will be deemed to be in-force with full risk cover as per terms and conditions of the policy.

In case the policyholder exercises option (i) above to revive the policy and the policy is revived, the risk cover shall be restored from the date of the revival. The Company, at the time of revival:

- i. Shall use the proceeds of the discontinued policy units to allocate units to the segregated fund(s) at the NAV as on the date of revival in the proportion as chosen by the policyholder as on the date of discontinuance of the policy.
- ii. Shall collect all due and unpaid premiums without charging any interest or fee.
- iii. Will levy policy administration charge and premium allocation charge as applicable during the discontinuance period. No other charges shall be levied.
- iv. Shall add back to the segregated fund(s), the discontinuance charges deducted at the time of discontinuance of the policy and this sum will be used to allocate units at the NAV as on the date of such revival in the segregated funds in the same proportion as chosen by the policyholder as on the date of discontinuance of the policy.

In case the policyholder exercises option (i) above to revive the policy but the policy is yet to be revived, the fund shall continue to remain in the discontinued policy fund till the policy is revived or up to the end of the revival period, whichever is earlier. If the policy is not revived within two years of the revival period, the proceeds of the discontinued policy fund shall be paid out to the policyholder after the expiry of the revival period or the lock-in period, whichever is later. However, in case the lock-in-period has ended before the expiry of the revival period, the policyholder has the option to request for the proceeds of the discontinued policy, which will be paid out to the Policyholder immediately, thereby terminating the policy.

If the Policyholder exercises option (ii) above of complete withdrawal or does not exercise any of the above options within the notice period of 30 days, the Policyholder shall be deemed to have exercised the option of complete withdrawal without any risk cover and the policy shall be treated as discontinued. Fund value of the policy after deducting discontinuance charges on the date of discontinuance of the policy shall be credited to the Discontinued Policy Fund. The proceeds of the discontinued policy shall be refunded only upon completion of the lock-in-period. The current minimum guaranteed rate of interest applicable to the Discontinued Policy Fund shall be 4% per annum.

Discontinuance after lock-in-period

Where the contractual premium due is not paid before the expiry of the grace period, the Company shall send a notice within a period of 15 days from the date of expiry of grace period to the Policyholder to exercise one of the below options within a period of 30 days of receipt of such notice:

- i. Revive the policy within a period of two years, or
- ii. Complete withdrawal from the policy without any risk cover, or
- iii. Convert the policy into a paid-up policy, with the paid-up sum assured being the sum assured multiplied by the total number of premiums paid to the number of premiums payable.

If the policyholder chooses to convert the policy into a paid-up policy the benefit payable upon the death of the life insured shall be highest of the following:

- a) Paid-up sum assured, or
- b) Fund value, or
- c) 105% of the total premiums paid

In case top-up premiums were paid in the policy, there would be an additional payout of top-up Sum Assured OR Fund Value pertaining to top-up premiums OR 105% of top-up premiums paid, whichever is highest of the three.

There will not be any waiver of future premiums in case of death of the life insured when the policy is in paid-up status

The fund value of the policy shall continue to be part of the segregated fund chosen till the policyholder exercises his/her option or till the expiry of 30 days of notice period whichever is earlier, with full risk cover.

Policyholder exercises Option (i) above:

- The policyholder may exercise option (i) above to revive the policy. Till such time of revival, the policy shall continue with the full risk cover and all charges shall continue to remain deducted. At the time of revival, the company shall collect all due and unpaid premiums without charging any interest or fee, along with any due charges.
- If the policy is not revived within the period of 2 years from the expiry of the notice period, the policyholder may either opt to surrender the policy, as option (ii) above, or continue the policy as paid-up, as option (iii) above. If the policyholder does not exercise any of these options at the end of the revival period of 2 years, the policyholder shall be deemed to have exercised the option of surrender and fund Value as on the date of the expiry of revival period shall be paid and the policy shall terminate.

Policyholder exercises Option (ii) above:

- If the Policyholder exercises option (ii) above or does not exercise any of the above options within the notice period of 30 days, the Policyholder shall be deemed to have exercised the option of complete withdrawal from the policy and the Company will pay the fund value as on the date of expiry of the notice period to the Policyholder, and the policy shall terminate.

Policyholder exercises Option (iii) above:

- The policyholder may exercise option (iii) above to continue the policy as paid-up. The Sum Assured shall be reduced in proportion to the number of premiums paid and the number of premiums payable under the policy.
 - Accidental death sum assured will be equal to reduced base sum assured subject to maximum of ₹ 50 lacs
 - The mortality charge will be applicable as per the reduced sum assured. All other charges shall continue to remain deducted in full.
 - The policyholder may still revive the policy provided the revival period of 2 years from the date of expiry of the notice period has not expired. At the time of revival, the company shall collect all due and unpaid premiums without charging any interest or fee, along with all the due charges, and the original Sum Assured will be restored.
- 6. Net Asset Value (NAV) calculation:** The NAV shall be calculated on a daily basis in accordance with IRDAI guidelines from time to time. As per the current IRDAI guidelines, NAV of the fund shall be computed as:

Market Value of investment held by the fund + Value of Current Assets – Value of Current Liabilities & Provisions, if any.

Number of Units existing on Valuation Date (before creation/redemption of Units)

7. First premium will be allocated based on the NAV of the date of commencement of the policy.
8. The premium shall be adjusted on the due date even if it has been received in advance. Also, Aviva will not accept any amount less than the due stipulated regular premium payable stated in the policy schedule.
9. Transaction requests (including switching, withdrawals, surrender and renewal premiums by way of local cheques, demand draft, switches etc) received before the cutoff time will be allocated the same day's NAV and the ones received after the cutoff time will be allocated next day's NAV. The cutoff time will be as per IRDAI guidelines from time to time, which is currently 3:00 p.m. For the premium received through outstation cheques, NAV of the clearance date or due date, whichever is later, will be applied.
10. There is no provision of loan on this policy from Aviva.
11. Revival of the policy will be subject to Board approved underwriting requirements and payment of all unpaid due premiums.
12. Assignment and Nomination is allowed as per the provisions under section 38 and 39 of Insurance Act 1938, as amended from time to time.
13. Aviva will not be liable to any claim until acceptance of risk and receipt of premium in full.
