Content

This is further to our notice no. 20230104-23 dated January 4, 2023 with respect to 'Discontinuation of usage of pool accounts for transactions in units of mutual funds on BSE StAR MF Platform' wherein the UCC structure for 146 fields was introduced. In the said revised structure all nominee related fields were added.

Currently, Members can enter the nominee relationship in UCC of their clients as free text and there is no standardization in relationship given by the client. Also, guardian relationship is not part of the UCC structure.

Now, we have received communication from RTAs that :

- guardian relationship is mandatory if the client is minor
 - standardization of Nominee Relationship.
- In view of the above, Members are hereby informed that Exchange shall be enhancing the existing UCC structure to incorporate the guardian relationship and shall be adding 3 additional fields as Fillers.

Hence, the existing structure for UCC creation and modification shall stand revised to 150 fields.

Please find attached the following :

- Revised structure for UCC creation as Annexure I in Sheet 1
 - Standard values received from RTAs for nominee relationship as attached as Annexure I in Sheet 2
- Proposed go live date for revised 150 fields UCC structure shall be October 4, 2024.

Members are also requested to note that Exchange shall discontinue the old UCC structure of 131 fields with effect from August 16, 2024. Fresh UCC creation and modification will not be allowed with 131 field structure.

Further, existing UCC structure of 146 fields shall be available to the members.

All members using third party vendor solutions and/or in-house developed trading application are hereby requested to take note of the above and arrange to initiate necessary development at their end.
