Content

This is with reference to our Notice No. 20250316-3 dated March 16, 2025, in respect of Revise and Revamp of Nomination Facilities in Mutual Funds segment.

Members are hereby informed that Exchange will be enhancing the existing Unique Client Code (UCC) structure for incorporating nominee-related fields as per the guidelines received from SEBI. Hence, the existing structure for UCC creation and UCC modification shall revised upto 183 fields.

Further, additional nomination details i.e. Nominee information like Identity Number, Address, Email, Mobile etc., Investor Choice to display Nominee registration status or Name of the nominee(s) & Investor Choice to define any one display Nominee registration status or Name of the nominee(s) entered in the UCC will be reported to the RTAs for fresh folio transactions executed under non demat mode with effect from June 1,2025. For any fresh folio transactions executed under non demat mode prior to June 1, 2025, we shall continue to report the nominee details to RTA's as per current logic only.

Members are hereby requested to note that, additional nomination details as provided above shall be implemented in the client registration process through Manual Interface, Bulk upload, Mobile app and API mode.

Also, Non-Commercial Transaction (NCT) level changes for addition of nominee details, currently members are uploading through 104 fields NCT structure at exchange end to place nominee change/updation request in existing folio via bulk upload/API mode. To enhance the functionality as per new guidelines, we are revising the NCT structure to include additional fields in bulk upload as well API mode, allowing better accommodation of nominee-related details.

Revised NCT structure & detailed process note for changes provided above shall be communicated to all market participants separately.

Please find the attached below Annexure:

Annexure I: Client Master Bulk Upload – 183 Fields

All members using third party vendor solutions and/or in-house developed trading application are hereby requested to take note of the above and arrange to initiate necessary development at their end.
